HOW PARTY BOOKINGS WORK

We host parties at Mustard Seed Café & Play twice a day, at **10:15am** and **2:45pm**, seven days a week.

Each party runs for **2 hours in total.** The first part of the morning is spent in the village, where the birthday kid gets to run, play, and be completely in their element. When it's time to celebrate, everyone heads to the party room for food, cake, and the kind of joy that only a room full of happy children can create.

We love a well-planned party. To make sure yours is everything it should be, we ask that **bookings** are made at least **2 weeks before your chosen date**. This gives us time to have everything ready and looking exactly right when you walk through the door.

You're welcome to arrive 20 minutes early to set up your space, and we'll give you a little extra time at the end to gather your things and say your goodbyes.

Party dates fill up quickly, if you have a date in mind, we'd recommend getting in early.

To book, head to our website or reach out to us directly.
